

GrantForward

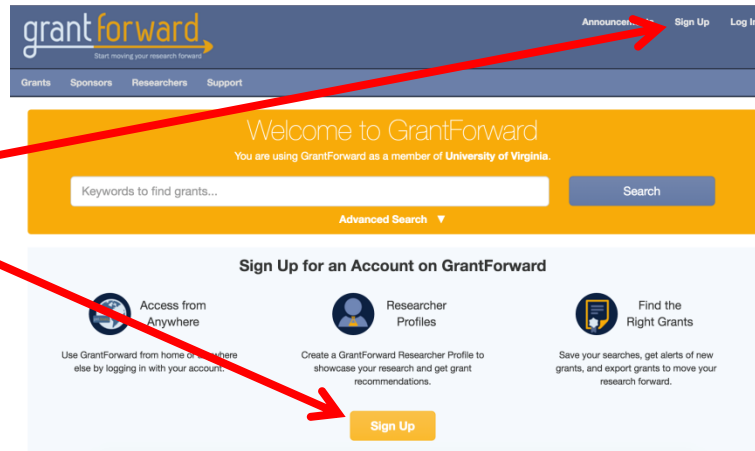

www.grantforward.com

- Relatively new funding discovery tool
- Developed out of UIUC
- Large search database of funding opportunities
- New product and licensed through the VPR office

Logging into GrantForward

Step 1:
www.grantforward.com
Find “Sign Up” in top right corner or bottom of page

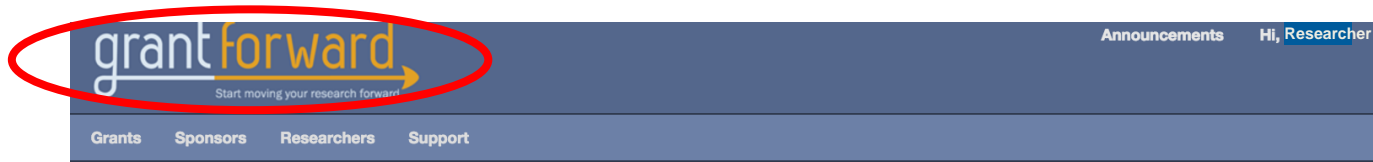

Step 2:
Sign up under
Institutional Account

The image shows the 'Create an Account on GrantForward' form. The 'Institutional Account' tab is selected. The form includes fields for 'Email *', 'Name' (First Name and Last Name), 'Password', and 'Confirm Password'. The 'Institution Name' field is pre-filled with 'University of Virginia'. A red arrow points from the 'Sign Up' button in the previous screenshot to the 'Institutional Account' tab. Another red arrow points from the 'Email *' field to the 'Step 3' text box. A third red arrow points from the 'Institution Name' field to the 'Step 3' text box. At the bottom right, there is a 'Create my Account' button.

Step 3:
Type in your UVA email and
Institution Name should immediately
come up as University of Virginia

Note: Your profile has **not** been created yet, feel free to update at a later time
